

## Watch, the Superdog! (The Adventures of Benny and Watch Book 10)

Benny has never been in a parade. Now there's a pet parade this Saturday! There are several prizes, including one for the best pet costume. After much thought, and a little help from Watch, Benny decides to make Watch a detective costume. When Watch ruins his costume, Benny has to think of a new one quick! This is a fixed-format ebook, which preserves the design and layout of the original print book.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
