

It Looks a Lot Like Christmas

Evergreen trees, holly leaves, candles burning in the night are some of the Christmas traditions that symbolize Gods love for us through Gods gift of Jesus. It Looks a Lot Like Christmas tells the heartwarming story of a family remembering the biblical account of the birth of Jesus while they decorate their home for Christmas. As the Christmas tree is adorned with balls, candy canes, tinsel, bells, ornaments, and angels, the meaning of each decoration is told. Written in English and Spanish, It Looks a Lot Like Christmas is the perfect gift for every child ages 4-8 in your congregation. Each page of the storybook is supported with Scripture and is beautifully illustrated in color.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
