Michael Hague has created an enchanted world filled with animals celebrating Noel, from a dandified bunny dashing through the snow in a one-horse open sleigh to bears, rabbits, and chipmunks awaiting their hot bowls of figgy pudding. This book will bring holiday joy to the entire family! Includes: Jingle Bells * We Wish You A Merry Christmas * O Christmas Tree * Deck the Halls

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
