

## Michelets Jeanne D'Arc: Edited with Introduction, Notes, Questionnaire and Vocabulary (Classic Reprint)

Excerpt from Michelets Jeanne D'Arc: Edited With Introduction, Notes, Questionnaire and Vocabulary Michelet being somewhat of a mystic himself knew well how to appreciate and interpret the life of Jeanne d'arc. To him, the historian, the Maid of France was patriotism personified, the symbolic spirit of the French people of her time. The memory of the Maid had almost fallen into decay and bad repute (compare Voltaire's La Pucelle). It was only in the nineteenth century that her fame has undergone rehabilitation. A French historian has said of her: The story of her career is the most marvelous episode in our history and in all histories. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
