

Minecraft: Enemies Story (Minecraft Monsters, Minecraft Skeleton, Minecraft Zombie, Minecraft Creeper, Minecraft Enderman, Minecraft Wars, Minecraft Zombies)

Four mercenaries, four different enemies, and the will to fight to the death. When Mina City is in trouble, because of a prophecy about its destruction, the mayor seeks out four youngsters who are experts in their own fields: Killing zombies, endermen, skeletons, and creepers. At first, they just do it for the money, making sure that they receive a compensation for risking their lives; but in the end, they reconsider their standards and change their minds for the greater good. Read about four courageous warriors who battle for the survival of a city full of strangers in this exciting, unofficial Minecraft book!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
