

Minecraft: Go Gladiator, Go!: The Food Fight Fiasco! (Survival in Minecraft Book 2)

A Wonderful New Series of Adventures from Minecraft Interactive Brother and sister, Kevin & Laura find a mysterious object while exploring the woods around their home in Oregon, and are suddenly tumbling into a Minecraft Adventure where everything is strange and unknown, and they must learn new Minecraft survival skills. Episode 2 - Go Gladiator, Go! Kevin is still trying to find clues that will lead him to his sister Laura. The strangeness of being in a new world and looking like a cube kid, has worn off a bit, but in order to survive in this strange new land, he must get some food. Minecraft mobs seem to be everywhere, and after being blown up by a creeper at the end of Episode 1, he is understandably nervous to leave the safety of his house, which he has made much larger and safer. Kevin has sworn to be his sister's protector, however, so he must overcome his fear of repeatedly dying and craft the weapons he needs to defeat all the Minecraft Monsters he encounters, including Skeletons, Spiders, Creepers and even a strange Enderman that he is not sure is a friend or his foe, but who has Laura's 50 cent piece, and just might lead Kevin to her. This exciting Minecraft book for kids of all ages will have Minecraft fans remembering how fun and frustrating it was when you first played this game, where everything is a cube, and experienced the wonder and adventure that is Minecraft. Kevin, though only a kid, must write his own Minecraft diary as he learns to survive in this strange new world. These Minecraft survival adventures are fully illustrated, but if you're expecting just another set of Minecraft comics, Herobrine comics, or plain old Herobrine books, then you've got a nice surprise coming. Skeletons, Spiders, Creepers and even Herobrine await the two siblings as they learn what it takes to Survive in Minecraft.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
