

## Mischief Night (Saranormal)

Sara deals with ghosts galore in this Halloween edition of a paranormal series. Halloween is just around the corner, and Stellamar is buzzing with even more ghostly activity than usual! The fun begins when Sara and Lily unwittingly release the ghost of a young boy who was locked away in a closet a long time ago. The little ghost is full of mischief, but for some reason Sara is completely powerless over him. What makes this ghost so special? And Sara's not the only one with ghosts on her mind....Jayden Mendes, her crush from school, shows up at her house for a reading with Lady Azura. When the reading reveals secrets about the ghostly presence by Jayden's side, Sara realizes she might be in over her head with Jayden. Meanwhile, Lady Azura has been urging Sara to learn to put up boundaries between herself and these spirits. But Sara's boundaries are put to the ultimate test on Halloween Eve during a huge party at her house, where ghostly visitors and real-life classmates collide!

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
