

# Modern English: A Users Guide to Grammar and Style

This users guide to English grammar and style presents the historical background of old rules, many of which are shown to be unsound. In their place, the reader is offered a set of principles for speaking and writing good English. Where there is divided usage, grounds are given for preferring one to another. The book deals with the many misuses of present-day English, and there are two supplements containing examples of bad English, with comments and suggested improvements. A guide to punctuation and a glossary of basic grammatical terms are also included.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
