

Modern Political Theory from Hobbes to Marx: Key Debates

This anthology offers students a carefully edited selection of the most influential and enduring interpretations of key political theorists. There are sections on Hobbes, Locke, Rousseau, Burke, Bentham, Mill and Marx. Each section includes classic articles by leading critics, a substantial introduction by the editors, and a guide to further reading. A general introduction to the volume as a whole is also provided. This is an up-to-date and extensive guide to the key issues at stake in the interpretative debate, and it provides an invaluable text for students and teachers of modern political thought.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
