

Moment Mal!: Testheft 1 (German Edition)

The Test Booklet to Moment mal! includes individual, reproducible tests for each chapter. Tests are written entirely in German in the same format as the new Zertifikat Deutsch test being administered by the German, Austrian and Swiss governments. (The ZD is available via the Goethe Institutes.) Level three test booklet culminates in a practice ZD. Audio material to accompany the level one tests can be purchased on CD (Audio CD 1.3) or Cassette (Audio Cassette 1.4).

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
