

Der Geissbub Von Engelberg (Classic Reprint)

Excerpt from Der Geissbub Von Engelberg

Within the last twelve or fifteen years, a decided change has taken place in the character of German juvenile literature. True to the motto on their banner, that even the best is not too good for the young, educators all over the Fatherland have joined hands in an uncompromising war against everything mediocre in the domain of reading for immature minds. Former favorites, whenever suspected of producing a morbid sensitiveness by unduly stimulating the fancy and starving the intellect, have been condemned, and new standards have stepped to the fore: History, biography, geography, ethnology, travel, sport of every sort, and physical science in all its branches, are now forcibly pointed out as the sources from which to draw for wholesome reading for the young, for such entertaining and instructive fiction as is fitted to advance the intellect, impart practical sense, create ennobling emotions, and inspire to high ideals. And why should the graphic account of some stirring event lose anything of its intrinsic attractiveness and artistic effect by the unstrained instilling through a master's hand of such useful information as will help to prepare the child, as the father of the man, for meeting successfully in after-years the high-strung demands of modern life? Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
