

Get Your Hustle On!: Its Not Just About Getting a Job, But Building a Rewarding Career

The right smarts, skills, and experience in your field are great assets when you're looking for or just starting a job, but they are not enough. No one is going to hand you an opportunity and you shouldn't feel entitled to one. With *Get Your Hustle On!*, author Monique Hayward offers today's young professionals and college students a roadmap to chart a course toward a flourishing career path by mastering the Five Cs: competence, cachet, communication, connections, and coaches. This book goes beyond the conventional wisdom about launching a career to give readers candid how-to advice combined with real-world experience from an award-winning entrepreneur, business leader, and marketing professional.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
