

## Look into the stillness

Every act of kindness is another step up Heavens stairway. When you nurture Nature, Nature nurtures you. When you can see God in small things, you'll see God in all things. If you love all Life you observe, you will observe all Life will love. During quiet meditation and reflection, author Donald Hicks has received hundreds of inspirational quotes (pearls of wisdom as he likes to call them) like the ones shown above. In *Look into the Stillness*, Donald shares a multitude of these inspiration gems as he guides the reader on a spiritual journey. Through the use of these simple-but-profound quotes, Donald helps readers improve their lives, their relationships, and awaken their own intuitive connection with The Creator through learning to Look into the Stillness.

*Look into the Stillness* is one of those magical books where the simply written text quietly eases the reader into daydreams of how the books themes actually play out in the readers own life. In this way, the reader co-creates the story with author Donald L. Hicks and makes the stories in *Look into the Stillness* the readers own a masterful exercise in of the art of storytelling. -- James Wawro, author of *Ask Your Inner Voice* and *Awakening Counsel*

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
