

## Mr. Putter And Tabby Pick The Pears

It is fall and juicy things are growing in Mr. Putter's backyard--apples, tomatoes, and pears. Mr. Putter dreams of all the juicy things he loves to eat, but most of all, he dreams of pear jelly. There's only one problem--cranky legs keep him from climbing up to pick the pears. His ingenious solution will have young readers cheering him on.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
