

## Verbal Morphology in the Karaite Treatise on Hebrew Grammar Kitb al-Uqd f Tarf al-Lua al-Ibrniyya (Cambridge Genizah Studies Series: Etudes Sue Le Judaïsme Medieval, 51)

Notwithstanding its early origins and its importance for the history of Hebrew linguistics, the Karaite grammatical tradition has received insufficient scholarly attention, mainly due to the scarcity of reconstructed primary sources emanating from this school of Hebrew grammar. This book reconstructs from unpublished manuscripts a medieval Karaite treatise on the grammar of Biblical Hebrew in Judaeo-Arabic Kitb al-Uqd f Tarf al-Lua al-Ibrniyya and studies verbal morphological theories expressed in this and related Karaite works. Furthermore, the book examines Karaite approaches to the verbal classification as well as didactic tools used in Karaite pedagogical grammars.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
