

My First Sinhala Dictionary: Colour and Learn (Sinhala kasahorow)

Sinhala for children! My First Sinhala Dictionary is a picture book for introducing your multilingual child to Sinhala and English. It has over 20 every day objects to point at and share with your baby. Daddy can teach in Sinhala and Mummy in English. Read aloud and get them used to your pronunciation. Each every day object is also illustrated to help make the connection with the real world. A perfect gift to get children off to a great start in life by learning two languages at the same time: Sinhala and English. Suitable for multilingual children 0 to 7 years old. Get the paper version so that toddlers can colour in the illustrations too. Older children can practice their writing skills by filling in the included workbook.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
