

## A Course of Modern Greek or the Greek Language of the Present Day, Vol. 1 (Classic Reprint)

Experience in teaching and the want of suitable grammars have induced me to prepare the following work. Many English ladies and gentlemen, whom I have instructed in ancient and modern Greek were at a loss to find the proper means for acquiring modern, while every assistance for the study of ancient Greek is to be had. This Modern Greek Course, the first part of which is herewith presented to Englishmen, especially to men of business, civil servants and to scholars, who may desire to know not only the ancient, but also the present condition of the Greek language, will comprise four parts, different in purpose and independent of one another. These are: I. Elementary Method, containing the pronunciation and the forms of modern Greek with exercises in both languages; II. Anthology, containing carefully selected pieces of Greek authors from the 11th century A. D. to the present day with exegetical notes and linguistic remarks; III. Orthography and Syntax, containing a systematic arrangement of the rules of the formation and of the correct spelling of modern Greek words and of the rules of correct composition, and lastly: IV. (Typographical errors above are due to OCR software and do not occur in the book.) Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4

Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
