

Inspired Level 1: Teachers Book Pack

The Teachers Book contains clear notes and support for every lesson, warmers, optional and follow-up activities, additional cultural information and a teachers resource section with photocopiable games and activities. In the introduction, the authors explain the thinking behind the course methodology and the unit tour gives a structured visual overview of how the course works. Detailed CDFR tables link the communicative competencies to the corresponding lessons in the Students Book. Test CD - Includes tests on grammar, vocabulary, and integrated skills, a placement test, and end of year and end of term tests.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
