

New International Business English Students Book: Communication Skills in English for Business Purposes

New International Business English is a best-selling course for upper intermediate (B2) level learners who need to use English in their day-to-day work. In this revised edition, all four language skills - listening, speaking, reading and writing - are developed through a variety of tasks that closely reflect the world of work. The 15 topic-based units in New International Business English provide learners with numerous opportunities for discussion and cover a wide range of subjects, including face-to-face business skills and techniques, telephone skills, international trade, marketing, meetings, and sales and negotiations.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
