

## Stellare: Learning Italian with Cultural Stars

An introduction to Italian for art lovers, this book offers language lessons in the form of fun cultural experiences, including a recipe by the great Lidia Bastianich, the classic photography of Gianni Berengo Gardin and Letizia Battaglia, films by Nanni Moretti and Fred Kuwornu, a moving song by Gianmaria Testa, and paintings from the National Gallery of Art in Washington, D.C. Whether as a self-study guide for travelers, or as a supplement to a college grammar text book, this volume's engaging cultural journey presents a path to lasting comprehension. All profits from this book are assigned to the organization, EMERGENCY USA, to fund medical care for refugees in Sicily. More information is available on the book's website: <https://dianacsilverman.atavist.com/stellare-learning-italian-with-cultural-stars>

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
