

Essential Telephoning in English Audio CD (Cambridge Professional English)

Essential Telephoning in English is a short skills course for adult learners of Business and general English. Its 11 core units cover a wide range of communication skills such as beginning and ending a call, taking messages, dealing with problems, making appointments and communicating information. The course enables learners to check their progress with three consolidation units as well as an end-of-course review unit. It has been designed primarily for use in class but is also suitable for self-study.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
