

Turning Points:: Action Today, Change Tomorrow

Your problem is not always the problem; maybe the problem is your response to the problem. There is no cookbook recipe to a successful relationship; but are there common ingredients present in happy ones? There is no such thing as a failed experiment; maybe the experiences are part of our roadmap to success. In this inspiring book that prompts you to action, Richard Osibanjo gives you tips on how to have a winning perspective on real life issues. These easy and practical suggestions will help you take daily steps that will have a large impact in your personal and professional lives. For any rewarding journey, it is important you are equipped. The insights provided will ensure you are successful and have fulfilling relationships. Regardless of your current status, this book will provide you with insight as to how to get back on track in living the life of your dreams.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
