

Landranger Maps: Tyneside and Durham Area Sheet 88 (OS Landranger Map)

This map is part of the Landranger (Pink) series and is designed for people who really want to get to know an area. It includes the following information: tourist information, camping and caravan sites, picnic areas and viewpoints, selected places of interest and rights of way information for England and Wales. Each map in the series covers an area of 40 km by 40 km (25 miles by 25 miles) and like other Ordnance Survey maps, National Grid squares are provided so that any feature can be given a unique reference number. Perfect for planning ahead and local excursions, these maps are full of useful information that will help you really get to know an area.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
