Machiavelli is most famous for a short political treatise, *The Prince*, written in 1513 but not published until 1532, five years after his death. *The Prince* is based on his diplomatic experience and his reading of ancient history. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
