Excerpt from Noted Men and Historical Narrations of Ancient Milton Ladies and Gentlemen of the School Committee: At your request I have prepared brief statements respecting those of our early inhabitants whose names you propose to affix to our common schools. The men whom you have selected were in their day, without exception, representative men. They were men of stalwart character, strong, wise, God-fearing men; earnest in purpose and decided in action, who could be safely trusted with the affairs of Church and State. Such are the individuals whom you have selected, from the vast number of their compeers, to give names to the schools of Milton, whose rare qualities of heart and mind, in many particulars, all our sons and daughters may well emulate. Never were more truthful words uttered than those of Governor Stoughton, in his Election Sermon, 1668: -God sifted a whole nation that he might send choice grain over into this wilderness. Belcher School. It is proposed to name the East School the Belcher School. Jonathan Belcher was born in Cambridge, Mass., Jan. 8, 1681, and graduated at Harvard College in 1699, in a class of twelve. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
