

Noteworthy Folks in the Clay County Courier Newspaper, 1927

The information in this e-book came from microfilmed copies of The Clay County Courier Newspaper, published in Corning, Clay County, Arkansas. The year is 1927. The flood of 1927 was the most destructive flood in Arkansas History. Clay County, Arkansas was no exception. High water is mentioned in the newspaper many times. You will find information about families in this book. When were they born? When and where did they die? Who did they marry? How did they live? Where are they buried? What was grandmas maiden name? Those questions and many more could be answered. Clay County, Arkansas has two county seats. Piggott, Arkansas is the Eastern District County Seat. Corning, Arkansas is the Western District County Seat. These court houses contain two different sets of marriage and court records. Most of the information in this book is from the Western District of Clay County, but some information from the Eastern District of Clay County is included as well as some state and national news. This volume contains a hyperlinked index. I hope you find your ancestors here.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
