

## Pulitzers Gold: Behind the Prize for Public Service Journalism

No journalism awards are awaited with as much anticipation as the Pulitzer Prizes. And among those Pulitzers, none is more revered than the Joseph Pulitzer Gold Medal. Pulitzer's Gold is the first book to trace the ninety-year history of the coveted Pulitzer Prize for Public Service, awarded annually to a newspaper rather than to individuals, in the form of that Gold Medal. Exploring this service-journalism legacy, Roy Harris recalls dozens of stories behind the stories, often allowing the journalists involved to share their own accounts. Harris takes his Gold Medal saga through two world wars, the Great Depression, the civil rights struggle, and the Vietnam era before bringing public-service journalism into a twenty-first century that includes 9/11, a Catholic Church scandal, and corporate exposes. Pulitzer's Gold offers a new way of looking at journalism history and practice and a new lens through which to view America's own story.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
