

Food Isn't What It Used To Be: A Biblical Approach to Health

From four thousand years ago and earlier to current time, food has taken a dramatic transformation. The consequences of this change are taking a drastic toll on our health. The reader will learn what Gods Word reveals about food, beverages, our health, and what responsibility we have in caring for the bodies with which He has entrusted us. Compounding the effects of poor food quality with the magnitude of onslaughts from toxins, is there any hope? This book will leave the reader with guidelines for food and beverage selections, as well as remedies aligned with Gods Word, giving renewed hope.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
