

## Ocean Of Blood: The Saga Of Larten Crepsley Book 2

Free from their mentor Seba Nile, Larten Crepsley and Wester Flack join the Cubswild young vampires with little respect for human life and a taste for mindless enjoyment. For the Cubs, everything is easy. But nothing has ever been easy for Larten, and soon fate throws his life into another spin. With dark paths to travel, Larten finds himself far from the Vampire Mountain and its rules. A long way from home, sick and alone, he must decide what kind of vampire he will be, and whether he will stand firm, and be true to his master and his principles or whether he will lose himself in blood . . .

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
