

## The Odes and Epodes of Horace. A Modern English Verse Translation.

The writings of Horace have exerted strong and continuing influence on writers from his day to our own. Sophisticated and intellectual, witty and frank, he speaks to the cultivated and civilized world of today with the same astringent candor and sprightliness that appeared so fresh at the height of Rome's wealth and glory. In 23 B.C., when he published the first three books of his lyrics, Horace was 42 years old, secure in the favor of the emperor Augustus, and living in ease and comfort as a country gentleman on his Sabine farm. Serenity is reflected in these lyrics, certainly, but so are other experiences, for Horace had lived through three major political crises in a society that was the center of the world, that was sophisticated, refined and beginning to decay. A worldly, high-spirited, cultivated man, Horace responds in his poetry to the myriad elements of Roman life he knew so well. The Odes and Epodes of Horace collects the entirety of his lyric poetry, comprising all 103 odes, the Carmen Saeculare (Festival Hymn), and the earlier epodes. Joseph P. Clancy has achieved a mirroring of the originals that is worthy in its own right as English verse, and his introductions to each book of lyrics are both lively and informed.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
