

## Hawkins County, TN. Circuit Court Minutes, 1822-1825 & 1827-1828 (Vol. #2)

Hawkins County was created in 1786 from Sullivan County, TN., which in turn was carved out of Washington County, TN which was in turn carved out of Wilkes and Burke counties, N.C. This area of Eastern Tennessee received a large influx of persons migrating West in search of new lands. Most of these early settlers were from North Carolina and Virginia, with a sprinkling from Pennsylvania. Hawkins county sits on the border with Virginia. More appropriately, directly under Washington County, Virginia which was considered the gate way to west through western Virginia. Circuit court records are another unique source for tracing those elusive family members. The type of records found within this book are: petitions for divorce, breach of peace, assault & battery, guardianship, horse stealing, indictments for murders, indictments for larceny, bigamy charges, oaths relating to service in Revolutionary War, deeds of gifts, possession of counterfeit money, and many, many other juicy tidbits of information concerning persons of Eastern TN. that are not found anywhere else.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
