

Old Marblehead Sea Captains and the Ships in Which They Sailed (Classic Reprint)

Excerpt from Old Marblehead Sea Captains and the Ships in Which They Sailed It will be noticed that quite a number of these men were in the Continental service as soldiers or sailors before entering the merchant service. Nearly all of the following pictures (excepting thirteen, kindly loaned by the Essex Institute), were taken from the originals now in possession of their descendants, and are freely loaned for this work, and have never before been published. To each and everyone who has contributed in any way to the success of this volume, the compiler extends his most sincere thanks and earnestly hopes it may prove to be instructive and satisfactory. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
