

## Self Publish Your Own Book: & Make It a Best Seller

Everyone has a book in them, most just don't know how to get it out. I have talked to countless people that have good ideas for books and some that even have that book written and saved in a Microsoft Word document. The thing is they are lost as to the next step. The vast majority of people are unaware that new technology exists that allow ANYONE to publish a book. This book was written to share the simple techniques that get your book published with little to no money out of pocket. Imagine being able to publish your book with NO REJECTIONS, NO EXPERIENCE and LITTLE TO NO OUT OF POCKET EXPENSE. The value of having a published book is incredible. It opens avenues for you to be recognized as a thought leader in your industry. It gives credibility to you as a Transformational Thought Leader. It makes you an instant credible source to be cited and referenced. Speaking opportunities open up and income streams are increased and heightened. In short being a published author makes you the go to guy. Imagine what being a Best Selling Author would mean. Multiply what we just said by ten or even 1000 and you get the picture. You will Dominate your industry and your passion. The ABS System allows you to do just that. Publish your Book AND become a Best Selling Author. The ABS (Automatic Best Seller) System was designed for the novice who wants a published book. It was also created for the professional that needs a Best Selling book to allow him to gain a competitive edge and soon dominate his industry. Are you a Speaker, Coach, Businessman or Pastor that wants to gain credibility and recognition? Then this book is for you. Even if you feel that you just want to write a book and earn the recognition that comes with doing that then this book is for you. Our simple to follow blueprint shows you how to go from no book to being a Best

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
