

Give and Take (From the Files of Madison Finn Book 10)

Will Christmas break be a total bust? The Christmas season is looking up for Madison. Her dad's promised her a big ski trip, she's performing in the big Winter Jubilee concert, and all her friends will be around during the break. Madison feels full of cheer with all that she has to look forward to. Then her two BFFs start avoiding her, and her dad cancels the trip. Madison's super-fun Christmas plans are falling apart. Then a chance volunteer opportunity at the local retirement home pairs her with an older woman who never has visitors. As Madison puts more effort into visiting Mrs. Romano at the home, she realizes how giving to others can fill you with cheer in return.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
