

Passages Level 2 Presentation Plus

Passages, Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. The Passages, Third Edition, Presentation Plus classroom presentation software makes it easy to deliver engaging, high-impact lessons that will keep students focused and engaged. With Presentation Plus, teachers can present the Students Book, Workbook, and Video Activity Worksheets, play the Class Audio and the Video program, and display scripts and answer keys. Presentation Plus allows teachers to embed links to other components or websites, and save their lessons to a portable drive to take with them wherever they go. Presentation Plus can be used on an interactive whiteboard, portable interactive software technology, or with a computer and a projector.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
