

Historical Sketch and Roster of the Georgia 64th Infantry Regiment (Georgia Regimental History Series Book 92)

The Georgia 64th Infantry Regiment was organized in 1863. It initially mustered 800 men, consisting primarily of men who were too young to serve earlier, veteran soldiers from disbanded commands and conscripts. It had seen little combat before Olustee, but was considered a well-trained and commanded unit. The regiment spent most of its enlistment prior to Olustee in Florida, primarily in camps in the vicinity of Quincy and Tallahassee. After Olustee the regiment was transferred to Virginia where it participated in the Petersburg Siege and Surrendered at Appomattox. Companies Of The GA 64th Infantry Regiment Company A: John K. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
