

Lake District (Touring Maps & Guides)

The Touring map series is a must for anyone visiting Britain's most popular holiday destinations. These reformatted maps are simple to use and packed with essential tourist information - from the best beaches to rural pubs, designed specifically with Tourists in mind. All county boundaries are clearly marked and as well as showing motorways and main roads, the maps also pinpoint many minor roads, cycle routes and even rural toilets. No holiday is complete without one.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
