

Perrazo y Perrito/Big Dog and Little Dog bilingual (reader) (Green Light Readers Level 1) (Spanish and English Edition)

Big Dog and Little Dog are canine companions who stick together through thick and thin. In this, their first bilingual adventure, Big Dog and Little Dog are hungry! And as any good dog knows, friends who chow down together, nap together. With deceptively simple text, graphic illustrations, and tongue-in-cheek humor, Captain Underpants creator Dav Pilkey brings the joys of childhood friendships to life through his tales of two lovable dog pals. This Green Light Reader will help young children build basic reading skills in two languages (which are clearly set in different colors), while also tickling their funny bone. Parents and kids looking for skill-building activities will find a bonus activity section at the back of the book.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
