

Instant Japanese (Instant Phrasebook Series)

Instant Japanese allows you to quickly and easily meet people, go shopping, ride the subway, ask for directions, order food and drinks, and much more! This thoroughly revised second edition of Boye Lafayette De Mentes classic, bestselling phrase book shows students and travelers how to maximize their communication skills. The idea is simple-learn 100 words and say 1,000 things. The trick is knowing which words to learn. This book presents a basic vocabulary that will be used over and over again. All of the phrases are given in both standard Roman and Japanese scripts. A brief guide to pronunciation helps you say the phrases correctly. And an easy-to-use, 250 word vocabulary list allows you to translate from Japanese to English and vice-versa. Grammatical and cultural notes are presented in clear, accessible language.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
