

Italian: Learn to Speak and Understand Italian with Pimsleur Language Programs (Quick & Simple)

Understand and speak Italian starting with these eight quick and simple audio lessons! You're not just learning phrases with The Pimsleur Method, you're acquiring essential, conversational Italian! You'll be thrilled to discover you can hold a real conversation in Italian when you have finished these eight, 30-minute lessons! Dr. Paul Pimsleur's original and unique method enables you to acquire Italian as effortlessly as children absorb their native language. You will succeed because the Pimsleur program makes sure that you learn vocabulary and grammar correctly and easily in conversational settings without mindless repetition. Pimsleur is the only language program that includes exclusive, copyrighted memory training that ensures you will always remember what you have learned. When you finish these lessons you'll be so delighted with your fast-growing spoken language skills you'll want to continue with the full 30-lesson Pimsleur Program. And to make it easier, we've included a trade-up coupon in this package that will give you a \$50.00 savings when you purchase the Level I Italian Comprehensive Program. Learn at your own pace -- comfortably and conveniently.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
