

Jose: The Little Chihuahua with BIG Dreams

If you can dream it, you can do it, is the main message in, Jose: The Little Chihuahua with BIG Dreams--a thoroughly entertaining story about an adorable, pint-sized pooch living out his quirky dreams. With each and every one of Jose's dreams, he looks the part in authentic outfits that transform him into characters ranging from Peter pumpkin-eater to a polo player on horseback to a sultan on his camel, a 165 pound Irish wolfhound. Children from ages 4 to 104 will marvel at the hilarious photos illustrating this remarkable tale that reminds us all dreams really can come true.

Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
