

Practice Makes Perfect: Latin Verb Tenses (Practice Makes Perfect Series)

Learn Latin verbs with ease Most Latin verb books offer little more than charts of conjugations and a few mechanical exercises that do little to help you understand when and why a particular verb tense should be used. Practice Makes Perfect: Latin Verb Tenses, by contrast, provides hundreds of verbs with their conjugations, along with clear, concise explanations that pinpoint why a certain tense works in a given situation.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
