

Praeders Letters: A Novel in Verse

Paul Praederan immensely complex character with the bravado of a Hemingway hero, the literary erudition and despair of Berrymans Dream Songs persona, and the dark, self-destructive magnetism of Conrads Captain Kurtzis a new and disturbing addition to the pantheon of American literary characters. His story unfolds over his 30-year correspondence with a young poet, and it is a story of lost moral compass, in which artistic integrity is traded for commercial success, and friendship and fidelity fall to lust and greed. James Baker Hall is currently the Poet Laureate of Kentucky.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
