

Precocia: The Sixth Circle of Heck

Dale E. Basye sends Milton and Marlo to Precocia, the circle reserved for kids who grow up too fast, for their latest hilarious escapade in Heck. When Bea Elsa Bubb, the Principal of Darkness, tells Milton and Marlo Fauster they've gotten too big for their britches, she sends them to Precocia, the circle of Heck for smartypants kids who grow up too fast. There, the children learn adult jobs. William the Kid teaches bill collection. Mozart teaches commercial jingles. And all the students are forced to act, dress, and talk like little adults. Soon, the Fausters realize that Precocia's vice principals Napoleon and Cleopatra want more than to hasten adulthood--they seem to want to eliminate childhood altogether. Can Milton and Marlo figure out their plan in time to stop it? Heck is a school in the afterlife where bad kids go for all eternity, or until they turn eighteen, whichever comes first. As in Dantes Inferno, there are nine circles of Heck, based on kids various vices.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
