

Print Journalism: A Critical Introduction

Print Journalism provides an up-to-date overview of the skills needed to work within the newspaper and magazine industries. This critical approach to newspaper and magazine practice highlights historical, theoretical, ethical and political debates and includes tips on the everyday skills of newspaper and magazine journalists, as well as tips for online writing and production. Crucial skills highlighted include: sourcing the news, interviewing, sub editing, feature writing and editing, reviewing, designing, pitching features. In addition, separate chapters focus on ethics, reporting courts, covering politics and copyright whilst others look at the history of newspapers and magazines, the structure of the UK print industry (including its financial organization) and the development of journalism education in the UK, helping to place the coverage of skills within a broader, critical context. All contributors are experienced practicing journalists as well as journalism educators from a broad range of UK universities.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
