

Branding Your Job Search

Branding Your Job Search helps you realize the goals that you want to fulfill in your career and get the job that will take you there. The book presents basic help toward figuring out what goals you have in your life, how you will find fulfillment, developing your resume, marketing yourself to companies, using your online resources, being successful in the interview process, and ultimately getting the job. Michael Gliner is a leading recruiter in the staffing industry and he presents a broad look at the job search process. The book is designed to help anyone that is considering or having to make a job change utilize the right tools to get the job that will help them meet their long term goals. Ultimately the goal at the end is to brand yourself in the industry you want to be successful in.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
