

Proceedings of the Good Roads Institute, Vol. 39: Held at the University of North Carolina, March 17-19, 1914 (Classic Reprint)

Excerpt from Proceedings of the Good Roads Institute, Vol. 39: Held at the University of North Carolina, March 17-19, 1914 To His Excellency, Honorable Locke Craig, Governor of North Carolina. Sir: - There was held in March of this year, at the University of North Carolina, under the auspices of the State University and the North Carolina Geological and Economic Survey, a Good Roads Institute, which proved to be of so much interest to those who attended that I believe the proceedings of this Institute should be put in such shape so that they can be distributed to the road engineers and superintendents of the State. I have, therefore, had the proceedings compiled and herewith submit them for publication as Economic Paper No. 39 of the publications of the North Carolina Geological and Economic Survey. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.

Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
