

Empowering Students to Write and Re-write: Standards-Based Strategies for Middle and High School Teachers

Give your students the confidence to continuously improve their writing. In *Empowering Students to Write and Re-write: Standards-Based Strategies for Middle and High School Teachers*, author and educator Warren Combs provides teachers with detailed strategies and lesson plans, along with real student writing samples. Review true-to-life scripts for conversations between teachers and students, and use or create student-friendly response and final evaluation forms. Also, learn a simple system for setting student expectations to help them reach curriculum standards. Combs describes effective routines of formative self-assessment, and shows teachers how to form a professional learning team with their colleagues using the 6-session professional learning guide. Teachers will help their students: Self-assess their progress with accuracy Revise partial and whole drafts Kindle their innate writing abilities Cultivate a mindset for revision This book is written in a teacher-friendly manner and has practical strategies for the teaching of revision. --Cindi Rigsbee NC Teacher of the Year

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
