

## Upbeat: Cultivating the Right Attitude to Thrive in Tough Times

Recession makes it hard for everyone. Rising unemployment, weak stock markets, tough credit markets, weak demand, fierce competition for that weak demand, uncertainty about when this will all end are just a start. It seems like there are just too many things out of our control during a recession. It takes a lot to make a significant difference in a good economy. In a bad economy, it takes a significant effort just to produce something meaningful. Rather than going all out (when it is MOST required, ) most people choose to give up quickly, thinking nothing will happen anyway. In other words, they choose to participate in a recession. While this is generally true, there is one thing that is under our control-to have an UPBEAT attitude that's recession-proof. How we survive through the recession and thrive will depend largely on what each of us did before we reached this place and what every one of us will do during these times.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
