

Communication: Embracing Difference (3rd Edition)

This third edition has continued its staple as a text that relates the student to the concepts. By describing basic communication theories in everyday, non-technical terms, the emphasis on practical situations in the book helps students to connect the examples to their daily lives. Communication: Embracing Difference presents a clear format that stresses the importance of understanding and celebrating inter-relational differences within communication. Up-to-date examples of communication among interpersonal, small group, and public settings, allows the student to apply the concepts and theories learned, enabling them to become more confident and successful communicators. Emphasizing a target audience of a diverse population, the overall approach of this text resonates with the communicator of today.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
